Muhammad Uamir Aslam Front-End - Web Developer

omairaslam7262@gmail.com +92 309 409 3333 Codex Developers /mrumairrana /mrumairrana

Summary

Passionate and detail-oriented Front-End Web Developer with experience in designing and developing responsive, user-friendly websites using HTML5, CSS3, JavaScript, Tailwind CSS, and jQuery. Skilled in creating clean, modern, and mobile-first web interfaces with a strong focus on performance, cross-browser compatibility, and user experience. Experienced in converting UI/UX designs into interactive web pages, building responsive layouts with Tailwind CSS, optimizing website performance, and writing clean, maintainable code. A quick learner with strong problem-solving, communication, and teamwork skills, seeking opportunities to contribute to innovative front-end web development projects.
